MW300

The image shows a close-up, vertical view of a wood grain texture. The wood has a warm, medium-brown color with a fine, consistent grain pattern. The texture is smooth and uniform across the surface.

MW321

The image shows a close-up of a wood surface with a rich, warm brown color and a prominent vertical grain pattern. The grain consists of fine, parallel lines with occasional larger, more irregular knots and swirls. The lighting is even, highlighting the natural texture of the wood.

MW682

The image features a dark brown wood grain texture as a background. The grain is vertical and shows natural wood patterns, including some knots and variations in color from deep brown to a slightly lighter, more golden-brown hue. The texture is smooth and consistent across the entire frame.
